DGC – Delhi Gin Club

The DGC was created in Autumn 2018 by Lorraine Young, founder of Lorraine Young Events. An award winning hospitality and events veteran, Lorraine boasts an extensive, international career with expertise and experience spanning Australia, Papua New Guinea, Dubai, Phuket, Thailand and now in India. You may well have enjoyed events here that Lorraine has curated such as the British HC Charity Ball and the Melbourne Cup Charity Brunch at the Australian HC.

Lorraine says “The DGC is purely a group for gin lovers from all nationalities. We have no Facebook or website as our members like the anonymity of being able to enjoy themselves mid-week with like-minded people who enjoy a good time and a good Gin.”

The DGC has a mixed age range of members from a variety of social backgrounds which include senior diplomats, CEO’s and company directors as members.

To join there is no entry fee for membership and it is purely by invitation from existing members only.

Communication is solely by WhatsApp.

We meet once a month at various venues around Delhi NCR that will cater to the needs of our club members.

Love Gin then why not join us, make new friends and enjoy the social gathering once a month.

To be added to the DGC WhatsApp group, message Neeru 96500 71894 or Stuart 96500 89379

Our Hosts

Munir Kabani works as an Artist with a strong emphasis on the human sensory architecture. This engagement with the sensory system has brought him to collaborate with Jahnvi, a perfumer working in the realm of the sensuality of taste, smell and the passage of time. They are co-founders of the start-up *Deviant Distillers*, creating a new master Gin blend based on subtlety, surprise and rare ingredients.

Savio Fernandes, whose ancestral home now houses Fabindia in Mapusa, met his Finnish wife **Pirkko** twenty-odd years ago in Goa, when he was in the travel trade and she was a tour guide. They know Goa and the backwaters like the back of their hands, are excellent hosts, and know how to make their guests come back for more!

Olaulim Backyards is a creation of their shared dreams.

Olaulim Backyards – the other side of Goa

This unique homestay in the little village of Olaulim will be our base for the Triple G&T Tour. On the Mandovi backwaters, with uninterrupted views of green fields along the river bank and the water curving away into the distance, here we can get off the beaten track and experience a different side of Goa.

The cottages are rustic, making the best of locally available elements like bamboo, local stone, coconut wood and palm leaves. They are all air-cooled (no A/C), with large windows capturing the through breeze, and enabling you to sleep and reside completely in harmony with nature. The bathrooms are tropical style, roof partly open to invite sunlight and offering a vista painted by the Goan sky and towering trees.
